## Training for Drivers and Passenger Assistants

FYTbus is a MiDAS accredited training organisation. This means that you can be trained and assessed under the Minibus Driver Awareness Scheme by our own assessors and in our own vehicles. Training for both Drivers and Passenger Assistants (PAs) consists of a brief classroom-based session followed by practical training and assessment on the minibus. This means that both FYTbus and our volunteers can be confident that we are providing the best possible service to our passengers.

Drivers will receive a UK minibus driving certificate which is recognised by over 5000 organisations. PAs also receive a certificate recognising their competence.
